Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Fewer than three comparable sales have been identified, having regard to the property's approximately 1,000 m² land area, circa-2011 construction and substantial total building area of approximately 418 m² (45 squares). The limited availability of recent sales with a similar combination of land size, building area and age restricts direct comparison.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
