## Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

A review of available sales evidence identified fewer than three comparable properties sold within two kilometres in the preceding six months. The limited evidence reflects differences in accommodation, internal size, condition, finish and building characteristics between the subject property and nearby sales. Any qualifying comparable sales identified are included in this statement. For properties across the road, record the actual differences in file—size, layout, finish, condition and building scale. Investor ownership or an owner-occupier target market alone is not a strong basis for excluding them.

## Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
